6 Fun Activities To Do in Big Apple on a Budget!

Many people are daunted by spending travels to New York City because of its reputation of becoming one of the most pricey urban centers worldwide. This urban jungle is definitely stuffed with all the major names in business trade, but it is also the place of a lot of intriguing sites and compelling places. If you reserved a [last minute trip](#) to the Big Apple you might find it beneficial to be aware of that you can have the best time without needing to spend an arm and a leg for it! Listed below are six things you can begin with while you are in the Big Apple with your limited finances.

1. Central Park

By far the most popular locations in New York City is the Central Park. This enormous expanse of trees and plants right at the center of the city invites couples, families, and visitors alike. It is also recommended by regular visitors, because it gives a nature escape in the heart of a fast paced city. You can have fun by planning a picnic or rent a bike and go around, especially on the north side of the park where the nicest views are located.

You may as well enjoy shows at the park without spending a dime, with performances delivered by Summerstage, New York Philharmonic, Naumberg Bandshell, and Good Morning America. Whatever your music preferences are, there is something for all to appreciate.

2. Folk Art Museum

If you like to check out uncommon and fascinating pieces of classic and contemporary art, the Folk Art Museum is a good visit. Know what's even better is, they come with free pass! Their pieces which feature artwork, trade figures, and pottery that extends back to the eighteenth century with other new works.

3. Statue of Liberty

For anyone who is staying in New York, never pass the opportunity to see the Statue of Liberty which stands with pride at Liberty Island. Tours would vary from \$12 for adults and \$10 for youngsters. Then again this would only carry you nearly the pedestal of the statue, since entrance to the statue itself is not anymore permitted for safety reasons. Although for the frugal tourist, you can get on to the Staten Island Ferry, which is absolutely free by the way, and you may gaze and take photos of the huge Lady Liberty because it traverses towards the island.

4. Brooklyn Bridge

Did you know that the Big Apple has got more than 30 bridges? In case you inquire which design is regarded as the most popular and breathtaking, it would be the Brooklyn Bridge. It is one of several very first suspension bridge in the US which took 13 years to build. It connects Manhattan and Brooklyn from the East River that divides it. You would like to bring your camcorder intended for this one, as the landscapes are exquisite!

5. Bryant Park

In older days this charming reverie within the metropolis was avoided by locals because it was a place for muggings and robberies. But effective undertaking from the city council altered the park's reputation. Right now it is a place to lush flower beds, cafes, a carousel and monuments among many others. It is also the venue for HBO's Summer Film Festival, where you can enjoy free motion pictures at the lawn.

6. Botanical Gardens

Big Apple is just not all cars and skyscrapers, it also a place to find a number of lovely gardens. At this time, there is New York Botanical Garden, which costs \$6 for admission. It is believed to be the best botanical garden in the United States where anyone can see a assortment of plant life, a scientific research group and an academic institution.

You may as well check out the Staten Island Botanical Garden and the 39-acre Queens Botanical garden if you want free entrances. They are also just as beautiful and ideal for a unhurried trip.

Despite having [last minute vacation](#) arrangements and a tight spending budget you can still appreciate the beautiful places in The Big Apple. With the extensive variety of activities for both local residences and visitors, you're likely to land on so many perfect ones that are affordable or totally free!
