Fly Off To The Canaries This Fall

Thinking about a holiday break in the Canaries this fall? These seven Spanish islands are the most popular destination for foreign visitors after Catalonia, and continually deliver fantastic weather all year round as a result of their ideal position.

The largest and best know island is Tenerife, home to the towering Mount Teide, which stands at 3718 metres above sea level creating an unbelievable contrast in temperature between the snowy mountain top and the hot sandy beaches elegantly arrayed along the coastline at sea level. In keeping with the other islands in the Canary islands chain, the south of the island is home to the islands most popular destinations, whilst the north remains cloudier, and this is where the main urban and commercial centres are located.

In comparison Lanzarote is a relatively small island, measuring just 40km by 60km-- and on the plus size hasn't been subjected to the same level of urban or tourist development, so it is a great deal more au natural as they say.

So anyone wanting to really get away from it all in the Canarian archipelago should make a bee-line to Lanzarote, as they will be rewarded with unbelievable landscapes and vistas, especially in the north. Like the neighbouring island of Tenerife you'll find that the major destinations are nicely situated in the southerly parts of the island and this is pretty much where you'll find an wonderful range of sensibly priced accommodation; with 1000's of apartment rentals and [Lanzarote holiday villas](#) available for booking.

Of Lanzarote's two leading holiday resorts Puerto del Carmen is regarded as the most popular, touting plenty of fantastic beaches along with the traditional style of the harbour that's worth a visit. There are also an abundance of friendly hotels and [villas in Puerto del Carmen](#) if you're looking for somewhere to stay.

Playa Blanca is somewhat smaller and more peaceful and is a warm and friendly, laid back holiday resort which isn't seen as being night life central as most of the way more lively parts of Lanzarote, instead the main focus here on the whole is retaining the beauty and comfort of its working history. But there is still a broad option of holiday apartments and villas available for long term and short term rental

From the awe-inspiring natural landscapes to the world class beaches, this is unquestionably a travel vacation spot that will almost certainly give you the feeling of wanting more. The memorable appeal of this welcoming island will stay with you forever.
