New York's Omni Berkshire Place Luxury Hotel

[New York Hotel Deals](#)

[Omni Berkshire Place Hotel in New York City](#) is a fabulous four star hotel. It is a great selection for those on business and for tourists who want to stay in style during their vacation in the biggest city in America.

Omni Berkshire Place has all of the amenities that you expect from a luxury hotel in New York. What follows is a shortlist:

1. Satellite TV.
2. Parking.
3. AC.
4. Mini Bar.
5. Fitness Room.
6. Bar.
7. Conference Room.
8. Security Guard.
9. Restaurant.
10. Concierge.

The hotel building itself is quite beautiful especially at night with all of the lights on. And the rooms are luxuriously decorated. But what is really great about Omni Berkshire Place in my opinion is not what it looks like outside or in but where it's located. Hanging out in your hotel room, no matter how nice it is, when you're in NYC is pretty lame!

Omni Berkshire Place is located on East 52nd St. between Madison Avenue and 5th Avenue and that means it's near many "points of interest" in the city. What follows is a shortlist of what's within a very short walk of this hotel:

1. 5th Avenue Shopping.
2. Rockefeller Center.
3. Museum of Television and Radio.
4. Sony Wonder Technology Lab.
5. Metro Stations.

As you might imagine a 4 star luxury hotel in such a great location in Manhattan is not inexpensive. As of this writing the most inexpensive reservation I can find on the [New York City Hotel Deals site](#) is \$505/room. Room rates do vary depending on season and the day but you are unlikely to find a hotel of this caliber for a low price in NYC. In this very costly city even the 2 star budget hotels are over \$200/room!

For people who plan on taking part in many touristy things, the [New York Pass](#) is a great way to save some money. It lets you take part in over fifty tourist activities for one price. It can also save you lots of time since it lets you cut in line as well.
