Spain Uncut - Moving to Spain and Living in Spain

"How To Move To, Live In And Work In Spain Without Sacrificing Your Health, Sanity Or Wallet. Our Five Years Of Mistakes Are The Key To Your Dream Life In Spain - Yes, You CAN Have It Too."

"I have a few loose ends to tie up before i move. Hope to get my partner a nursing job in gibraltar. Ill gladly pay for a copy of spain uncut as ive enjoyed the siesta show so much for free." - Ian Smith "I have been an avid watcher of eye on Spain since its inception. Justin and family you are doing a great job and providing a valuable forum for expats who are part of the EOS community." - Phil Bateman "Your website and articles and Siesta TV have been very useful to me. Well Done to all!" - Mike "Having someone else point out the pitfalls would be great and maybe give me the confidence to make the big move. Well done on all your hard work! " - Teresa Hill "Justin and Team, you have provided valuable info in the past but the new video sounds very exciting. hoping to live in Spain soon I have apartment in south and have followed your site for sometime. Thank you." - Don "Well done and keep up the good work Eye on spain is the best website for people wanting information about moving to Spain " - Fred Pegman "We moved to Spain last August, and EOS was an enormous help to us all on our new Urbanisacion . We're still experiencing a few teething problems, so I imagine your video could be most helpful if it's as comprehensive as EOS and the Siesta Show." - Phil Hacking "I hope to move to Murcia next spring and like many other people have bought..."
