What first comes to your brain when someone mentions Madeira? For most people, it's the city of [Dubrovnik!](#) Recently, Dubrovnik was chosen as the next most popular destination among Facebook or Myspace users and The New York Occasions suggests it as one of the spots worth visiting in 2012.

200 million comments, statuses, points and photos of Facebook consumers were the foundation upon which the research was done by journalists involving Huffington Post. Dubrovnik came out as the next most popular destination in the world.

Facebook consumers praise Dubrovnik beaches, beautiful scenery and fascinating history. A vacation to Dubrovnik, as they say, would not be complete without a stroll through the old metropolis.

In addition to Dubrovnik, Laos is also very popular vacation spot. Most people limited their holiday to Southeast Asia to Thailand and Vietnam. But Facebook users paid care about Laos and discovered that the country provides much to offer, especially Luang Prabang.

This particular charming Croatian city, often referred to as the actual Adriatic pearl, certainly deserves this high level of popularity for its remarkable beauty and wealthy and exciting history. This particular city has it all, lovely beaches and clear blue sea, superb restaurants and accommodation, cultural sites, leisure and nice weather almost all of the year.

One lesser known part of the city is above attention level! When in Dubrovnik, look up and you will see Srđ hill which offers the very best view of the old town, as well as the islands in its vicinity. You can now take a ride on the freshly installed cable car which goes up to the top of incline (costing 50 kuna or concerning L5). As the weather in Dubrovnik is mostly sunny, this is possible any time of year. You can photograph the stunning picture-postcard views and have a drink, or even meal at the new cafe there, enjoying this amazing view that stretches approximately 37 miles!

The wire car always used to be a attribute of Dubrovnik. It was built last 1969 and was the first and the just cable car in the Adriatic. Right after being completely destroyed inside the war, it was reinstalled last year, about the opening day of the Dubrovnik Summer time Festival. Since then, it has been a unique tourist attraction on the Adriatic coast.

The Summer Festival of Dubrovnik could be the oldest and most famous of all the so-called Croatian festivals. From 1956 the actual Festival has been building their reputation and has, by way of the esteemed Association of European Fairs, become an integral part of European integrations. Envision yourself enjoying the most beautiful bits of classical music and the best of the theatre performances the world stage has to offer, while sitting comfortably surrounded by ancient city wall space. And that is precisely what Dubrovnik offers.

Within just its Summer Festival vintage theatre pieces and dancing performances are staged inside the streets and plazas of this extremely pleased Renaissance-Baroque city. It is only the high high quality art that can find their place in this city constructed of stone and light which holds so much beauty. Along with that art numerous celebrities, dancers and musicians will discover inspiration for both themselves along with their public throughout the lovely Dubrovnik summer season.

Year on year the Dubrovnik Summer Festivity is hosting the widely recognized names of the world elite in the art world. Composers, soloists and orchestras, along with their performance in and on the list of buildings within the old metropolis which possess exceptional traditional acoustic properties - such as the atrium in the Ducal Palace - imbue this festival with a very special charm.

Needless to say, this year the wall space of Dubrovnik are again gonna resound with the sounds of its extended and fascinating history. And also again, for the 63rd time, the actual Dubrovnik Summer Festival - occurring from 10 of This summer to 25 of August - will draw the very best of the world stage of undertaking arts. Once again will the actual inimitable beauty of the streets, pieces, parks, palaces, medieval fortresses and islands of Dubrovnik become the proud and equal partner to the designers of the world.

Accommodation & Events see increase due to new Cable television Car & Amphitheatre

The cable car has certainly opened up the spot on top of the hill making it more accessible. The bradenton area is already popular for rental property guests being only Ten mins drive from the Old Town and the beaches of Mlini. Nevertheless the cable car has added a great restaurant with fabulous views, and a short cut on the old town, without the need to travel or park...

Villa Belvedere and Villa Bosanka for example, are both based above the city, near to the wire car, and are great hotel choices. You can have all the peacefulness you want in the heart of the Dubrovnik Riviera and also get to the old town quickly. Just 25 minutes from your airport, these two large villa rentals make very good bases.

A thing to celebrate? There is an amphitheater about Srdj that can accommodate up to 120 guests and is available for rent for special occasions or events. This location will leave your guests breathless, whether you organize a wedding or a organization lunch. Weddings are already about the up as birdes and wedding guests make the most of these fantastic places as reported tagza.com.
