Understanding New York Travel

New York being a major city of United States; the most developed and resourceful, is one of those cities which attract thousands of tourists every year. Whether you are looking for a holiday full of sightseeing adventures or you just want to explore the hustle and bustle of the most influential hub of the world, this is the place for you to come. The following list covers the [top attractions in New York](#).

Central Park:

Central park is the main attraction in New York for every tourist. Unlike the common name 'park' you will find so many activities in here that you even a week would be less to explore it fully. The best thing to do here is to stroll around, especially in the morning and relax your eyes with the natural beauty this park abounds in. You can go for some physical exercise on a bicycle ride in this park for exploring it fully. There are ice-skating rinks as well, which you and particularly your children can enjoy. These are enough reasons to start out your journey with this park.

Statue of Liberty:

The Statue of liberty is one structure that pops up in anyone's mind when New York's historical places are mentioned. Yes, it always has been synonymous with the Big Apple. It was gifted by France to the US to celebrate its freedom. Undoubtedly it is the landmark of New York and any tour of this city is incomplete without a visit to the Statue of Liberty. Don't forget to go inside and ride up to the highest point to get a bird's eye view of the city and adjoining places.

Shopping and Eating:

It is not just the shopaholics who are always wondering if the place they are visiting has enough shopping opportunities or not, but infact, nearly everyone includes a shopping venture in their tour list, and New York is a city that certainly offers more than all of you people can fancy. Keep some hard cash in your wallet as you go to 5th Avenue in Manhattan to locate the most famous brands worldwide. Plus, you should also pay a visit to Rockefeller center. This is another shopping center full of shops and eateries. The choice of restaurants and caf© is never ending ranging from expensive fine dining to affordable caf©s. So, make sure you get a taste of some of the scrumptious cuisines here to get the flavors of New York.
