# Visitng France Will Make You Feel More European

France is a popular tourist destination because it is a country that has a lot to offer. In actual fact, it is also a very popular travel hotspot for visitors from all over the world; each year over 80 million visitors head to France. The fact that we now have the tunnel connecting the UK to the continent means that we are now lucky enough to be able to get from Folkestone to Calais in just over half an hour; once on the other side there are endless possibilities.

France is a big country but it is possible to drive to almost any part of it from the UK if you have a day or two to spare. You have the choice of visiting many places in France including the French Alps or some of the fantastic beaches along the coast. Then of course there is Paris and if you want to treat the kids there is Disneyland. Wine lovers can take advantage of vineyard country and those who like skiing can take a skiing holiday during the winter.

Having the Chunnel now means that France is just so easy to get to; its quite amazing when you think about it. It is possible to go from driving on an English road to driving on a French road in less than an hour. It is so easy to take your car with you to France with the tunnel which will allow you to get to many different parts of France with minimum fuss during the one holiday. If you live in the South of England it is now possible to pack the car and go for a picnic in France and come back the same day; it is hard not to feel a bit more European when the continent is that close. We have never been able to just get to another country with such minimal fuss and hassle before.

[City breaks Europe](#) style are extremely popular today. [France hotels](#) are top-notch when it comes to thinking about city breaks in Europe. A lot of these are [pet friendly hotels](#) as well. For a romantic weekend away, city breaks are the best.
